

Job Announcement at Maastricht University, The Netherlands

Dr Donna Yates

Associate Professor, Criminal Law and Criminology
Faculty of Law, Maastricht University

Good day,

I have a job announcement that I would love to have included in your next email list. Please note that the **application deadline is *22 March***, not 1 March. This may or may not be changed yet on the website as 1 March was entered by mistake, but would you please emphasise that date in the newsletter specifically so that people aren't confused

I am looking to hire a Junior Researcher here at Maastricht University for an ERC-funded project on the illicit trafficking of antiquities, fossils, and collectable wildlife. It will be based in criminal law and criminology, and an applicant with a criminology background is preferred.:

Please let me know if I can provide more information

Kind Regards,
Donna Yates
