

United Nations 75th Anniversary Collection

This United Nations Day (24 October 2020) marks the 75th anniversary of the entry into force of the UN Charter.

In recognition of this milestone we have created a collection of articles and chapters that provide commentary on the role of the UN in international law over the past 75 years, and its significance to the development of global human rights, and international peace and security

All content featured below from *Oxford Scholarly Authorities on International Law*, the *Max Planck Encyclopedias of International Law*, and *Oxford Scholarship Online*, is free to access until 30 November 2020.

[Introduction: Appraising the United Nations Human Rights Regime](#)

Oxford Scholarly Authorities on International Law

Review the challenges of evaluating the UN's human rights regime, and explore an overview of its evolution over the past several decades.

[Creation, Institutionalization, and Development of Public and Confidential Special Procedures](#)

Oxford Scholarship Online

Examine how the history of Special Procedures has impacted the evolution of the internationalization of human rights under the UN Commission on Human Rights.

[The Promise and Pitfalls of the Sustainable Development Goals: Has the Time Come for a Rights-Based Approach to Poverty Reduction?](#)

Oxford Scholarship Online

Analyse how a human rights approach should influence the conceptualization and measurement of poverty, and review the policies and financing instruments used to tackle it.

[The Great Enterprise Enters the Modern Era \(1987–2005\)](#)

Oxford Scholarly Authorities on International Law

Discover how a new era emerged in the evolution of the United Nations starting in the 1990s as a consequence of the expansion in the number of conventions and special procedures.

[United Nations, Internal Justice System](#)

Max Planck Encyclopedia of International Procedural Law

Read about the implementation of the reform of the internal justice system at the United Nations, and the evolution of the new system since 2009.
