This report is the 46th in a series that began in 1973. It provides official estimates of criminal victimizations reported and not reported to police from BJS's National Crime Victimization Survey.

[Press Release](#) (199K) | [Summary](#) (PDF 480K) | [Full report](#) (PDF 730K) | [Data tables](#) (Zip format 49K) | [Supplemental Tables](#) (PDF 100K)  
Part of the [Criminal Victimization Series](#)

### [Victims of Identity Theft, 2016](#)

Presents data on the prevalence and nature of identity theft against persons age 16 or older in 2016, including how victims discovered the crime; financial losses and other consequences.

[Summary](#) (PDF 164K) | [Full report](#) (PDF 552K) | [Data tables](#) (Zip format 98K) *Part of the [Identity Theft Series](#)*

### [Violent Victimization by Race or Ethnicity, 2005-2019](#)

This report provides official estimates of criminal victimizations from BJS's National Crime Victimization Survey. It provides the rate and number of violent victimizations from 2005 to 2019 by victim race or ethnicity.

[Full report](#) (PDF 310K) | [Data tables](#) (Zip format 5K)

### [Race and Ethnicity of Violent Crime Offenders and Arrestees, 2018](#)

This report compares the FBI's Uniform Crime Reporting (UCR) Program data on incidents of nonfatal violent crime to data from BJS's National Crime Victimization Survey (NCVS) to determine if arrest differences by race and ethnicity can be attributed to differences in criminal involvement.

[Full report](#) (PDF 580K) | [Data tables](#) (Zip format 16K)

## **Contacts Between Police and the Public, 2018 - Statistical Tables**

This report is the twelfth in a series that began in 1996. It examines the nature and frequency of residents' contact with police by residents' demographic characteristics, types of contact, **perceptions of police behaviors, and police threats or use of nonfatal force.**

[Full report](#) (PDF 675K) | [Data tables](#) (Zip format 14K)

Part of the [Contacts between Police and the Public Series](#)

## **Victim Service Providers in the United States, 2017**

This report provides statistics from the National Census of Victim Service Providers (VSPs), the first national data collection on the number and characteristics of these organizations.

## **Indicators of School Crime and Safety: 2019**

This report is the 22nd in a series of annual publications produced jointly by BJS and the National Center for Education Statistics, Institute of Education Sciences, in the Department of Education.

## **Indicators of School Crime and Safety: 2018**

This annual report, produced jointly by the Bureau of Justice Statistics and National Center for Education Statistics, presents data on school crime and safety from national surveys of students, teachers, principals, and postsecondary institutions.

+++++

## **Race and Ethnicity of Violent Crime Offenders and Arrestees, 2018**

This report compares the FBI's Uniform Crime Reporting (UCR) Program data on incidents of nonfatal violent crime to data from BJS's [National Crime Victimization Survey](#) (NCVS) to determine if arrest differences by race and ethnicity can be attributed to differences in criminal involvement.

[Full report](#) (PDF 580K) | [Data tables](#) (Zip format 16K)
