Advert: Forwarded to the Recipients of CCJ-News by Hans-J. Kerner

Hello all

This April we mark [Sexual Assault Awareness Month](#). This is a time when we raise awareness of sexual violence and discuss ways to prevent it.

To support this we have created a collection of free articles from the [Journal of Gender-Based Violence](#) exploring some of the many aspects of sexual assault. The [Sexual Assault Awareness collection](#) is free to read throughout April and includes:

[The continuum of symbolic violence: how sexting education neglects image-based sexual abuse, dismisses perpetrators' responsibility, and violates rights to sexual autonomy](#)

[Digital intrusions: technology, spatiality and violence against women](#)

Bridget Harris and Laura Vitis

['Risk of sexual violence against women and girls' in the construction of 'gender-neutral toilets': a discourse analysis of comments on YouTube videos](#)

Ben Colliver and Adrian Coyle

[Out of place: women's experiences of policing in protest spaces](#)

Helen Monk and Will Jackson

[The case processing of intimate partner sexual assault: a brief review and recommendations for future research](#)
