

Conference Postponement!!!

Perspectives of Rural Safety, Security and Rural Criminology

Dear Colleagues,

The Programme and Organising Committee of *International Conference CJS CEE* are announcing that the deadline to submit abstracts to the conference on ***Perspectives of Rural Safety, Security and Rural Criminology*** is postponed to **7 May 2021**.

The abstracts should be submitted by way of the **submission form** available on the conference web page <https://www.fvv.um.si/conf2020/submit-abstract.html>.

The Organizing Committee has considered the potential impacts of COVID-19 on the Conference planned this September, and in principle sees the following options:

- (a) assume it will go ahead as planned,
- (b) have a combined on-site and on-line meeting, or
- (c) have an on-line meeting.

We will take a decision by 15 June 2021 and inform all the participants on how we will proceed with the conference.

Best regards,

Programme and Organising Committee
