Explore German Idealism with Oxford

'Idealism' in *The Oxford Handbook of German Philosophy in the Nineteenth Century*

Oxford Handbooks Online /

Find out more about idealism and the ideas of key thinkers: Kant, Fichte, Schelling, and Hegel.

'Kant's Transcendental Idealism and Empirical Realism' in *The World*

According to Kant / *Oxford Scholarship Online*

Examine Kant's core claims of transcendental idealism and his conception of empirical objects.

'Morality' in Fichte's *Moral Philosophy* / *Oxford Scholarship Online*

Read a close analysis of Fichte's first foundational argument in the *System of Ethics*.

'Schelling (1775–1854)' in *The Oxford Handbook of German Philosophy in the Nineteenth Century* / *Oxford Handbooks Online*

Schelling is a sometimes neglected figure among the German Idealists - find out more about his philosophy.

'Truth and Beauty' in Hegel's *Aesthetics* / *Oxford Scholarship Online*

What is Hegel's definition of beauty? Find out in this free chapter.
