### Funding opportunities

#### **The new CERV programme is finally here and new calls for proposals are waiting for you!**

We are looking forward to fund good projects that will support and promote fundamental rights and Union values, citizen's engagement and participation, democracy and rule of law, equality and fight against discriminations gender-based violence and violence against vulnerable people. 6 new calls for proposal for action grants and 2 specific for operating grants are now open. Don't miss these funding opportunities!
