When: August 1st, August 2nd, and August 3rd, 2022

Where: Chicago Westin Michigan Avenue Hotel

Special Features: Over 100 Courses To Pick From

There will be over 100 different training sessions to pick from in 2022. No other gang training program has this level of sophistication. The NGCRC has the biggest and best training program and other special features as well. Over N = 65 courses are already listed at the website.

You Can Be A Presenter

You can be a presenter at the 2022 NGCRC Training Conference if you complete a session proposal form from the NGCRC conference website (www.ngcrc.com/2022.conference.html) and if it is accepted by the 2022 NGCRC Curriculum Committee. The NGCRC is currently accepting proposals for new presentations for the 2022 Conference. To see the information you need to submit a proposal, go to: www.ngcrc.com/callforpresenters.html

Special Networking Opportunities: Friendly Environment

The NGCRC's 2022 Training Conference will allow military veterans to attend a special event just for them. It is hosted by three NGCRC staff: Dr. Todd Negola, Dr. D. Lee Gilbertson, and other staff from the NGCRC. This was started for the first time in 2012 and it was a great success and has been repeated and expanded since then. It provides for a special evening reception designed to enhance networking among military veterans attending the conference. Other receptions at the conference are offered too; they are all free to those registered for the conference (Gang Counseling/Prevention Specialists Reception, Law Enforcement/Prosecution/Corrections Reception, Christian Gang Specialist Reception, etc).

Special Field Training and Networking Events

The NGCRC has special tours of the hood that provide networking opportunities to meet community members and program staff, as well as see the devastation by Chicago gangs and find out how some organizations are working to reduce and prevent gang violence. The conference website provides information about the free evening tours and how to sign up for these opportunities to meet with program staff and others. In the past we have offered attendees in law enforcement the opportunity to do ride-a-longs with the Chicago Police Department's Gang Unit, we will try to offer a few ride-a-long slots and give these away on a first come first served basis at the conference website. Over 100 attendees in the 2021 training conference also went to one of the evening baseball games. If there are games in 2022, we will get tickets to raffle off.

Special Features like the Open Intake/Open Exit Training System

This means we provide an enormous amount of flexibility in allowing you to earn and accumulate your required 24 hours of training outside of the regular 8 to 5 schedule. We provide courses on Sunday evening, July 31st, 2022, in the afternoon and evening, allowing you to accumulate hours before the conference officially begins 8:00am on Monday August 1st. We offer noon hour sessions on Monday, Tuesday, and Wednesday, so you can accumulate more hours. We offer evening activities and sessions on Monday and Tuesday evenings so you can accumulate more hours. And we offer the "early riser" (6am-8am) sessions on Tuesday and Wednesday so you can accumulate more hours. This means you can accumulate your 24 hours as quickly as you want to, allowing you to exit almost any time (a real convenience for meeting tight flight and travel plans).

Special Take Home Training Materials (The Goody Bag)

No one provides more in terms of valuable printed gang training publications. The NGCRC provides a free "goody bag" of training and reference materials to all attendees. At a minimum, attendees receive four (4) copies of the *Journal of Gang Research* and other valuable information. The copies of the Journal retail for \$75 each (a \$300 value overall). So there is added value in the NGCRC training and this is reflected in the objective material value of the take home goody bag every trainee registering for Certification or Non-Certification receives.

This is Your Invitation to Attend the August 1-3, 2022 NGCRC Special Gang Training Conference:

It's the conference you cannot afford to miss. In the summer of 2022, the National Gang Crime Research Center will hold its 25th International Gang Training Conference in Chicago — once again bringing together the Nation's top experts on gangs and gang-related issues. Last year's (2021) conference was a success even under the COVID pandemic--- see evaluation results at our website.

It's the experience you've come to expect — the opportunity to network with all segments of corrections (juvenile and adult corrections), prisons and jails, probation and parole, prosecution and law enforcement, K-12 School staff and prevention/intervention program staff from all over the country and abroad, including private sector prevention professionals.

Once again, the NGCRC will be offering you an enormous variety of choices to craft the education that is most pertinent to you and your jurisdiction. Many courses are already listed online for you to study (www.ngcrc.com/courses.html)!

You'll come away with new insights, the latest intell, and the most effective strategies to combat gangs.

You cannot afford to miss the NGCRC's 25th International Gang Specialist Training Conference in Chicago in the summer of 2022.

We Have Proof The NGCRC Training Is Worthwhile and Effective: Basically The Best Available Today

By visiting the NGCRC website (www.ngcrc.com), you can click the button for the "2022 Conference" and see a massive amount of backup and supportive material offering hard proof of the value of the NGCRC training model. This includes much statistical evidence. This also includes a vast number of testimonials from gang experts in the field who testify as to the value of the NGCRC Training Program.

Why the NGCRC has continued to set the "Gold Standard" for Gang Training:

The National Gang Crime Research Center (NGCRC) has pioneered the field by first of all being producers of gang knowledge, publishing and disseminating useful information recognized at the highest levels of the social scientific community. Additionally, the NGCRC has a long track record of service (1990 to present) to law enforcement and correctional agencies nationwide in the goal of reducing gang violence. The research and intelligence analysis developed by the NGCRC over the years, and published in its scholarly journal, the *Journal of Gang Research* (now in its 29th year of publication), is of great practical value for gang investigators in law enforcement and STG coordinators in the field of corrections. Gang investigators at all levels of government, here and abroad, as well as gang prevention/intervention practitioners and program staff who attend the NGCRC training conferences have clearly made their views known that the NGCRC training is the best in regard to offering high quality practical choices. Police and corrections experts teach a variety of courses at the NGCRC training conference.

The NGCRC training conference is specifically designed to "train the trainer": someone who completes the training will be able to return to their police department or institution equipped to train others. Investigators and prevention practitioners return with a wealth of printed information, and lots of new "networking contacts": persons to call upon in the future.

Special Training Areas in Prevention and Intervention:

Some of the training tracks you can sign up for in terms of Certification include: Gang Counseling Techniques, Gangs and Drugs, Gang Prevention Skills, Gang Problems in K-12 Schools, Faith-Based Programs for Gang Intervention, Dealing With Gang Members in Probation/Parole, Female Gangs, Gang Program Grantwriting/Fundraising Skills, Gang and Violence Prevention for School Administrator, Gang Outreach and Intervention Skills, Management Skills for Gang Outreach, Prevention and Intervention Services, Gangs and Mental Health.

Special Training Areas For Law Enforcement, Corrections, and Prosecution:

Some of the training areas for Law Enforcement include: Gang Crime Investigation Skills, Gang Homicide Investigation Skills, Domestic Counter-Terrorism Skills, Gang Profile Analysis, Gang Interview/Interrogation Skills, Gangs and Drugs, Gang Prosecution, Corrections Gang/STG Intelligence, Officer Safety Skills in Dealing With Gangs, International and Transnational Gang Problems, Gangs and Organized Crime, Gang Arson Investigation Skills, Hate Group/White Racist Extremist Gangs, Dealing With Gang Members in Probation/Parole, Advanced Gang Identification, Gang Internet Investigation, Motorcycle Gangs, Dealing With Gangs in Juvenile Correctional Facilities.

The “Added Value” of NGCRC Training:

The added value of NGCRC training is easy to explain and it is designed to be different than other groups who sponsor such training conferences: you get more for your money. You see that reflected in the evaluation results from previous NGCRC Conferences. Other people “copy” what we do, or they try to. But you can do a quick check of facts here: who else offers as many different sessions or courses than the NGCRC? It is such a huge and massive undertaking, that persons who attend this conference benefit from the very factor of “diversity” in the choices they have — what they want to learn, what instructors they want to learn from, etc

First, all NGCRC trainees are given a **wealth of high-quality take home printed training materials**. The value of these materials, reflecting the official journals from the NGCRC and related topics of interest about gangs, is itself a significant value. Most gang training programs provide a small amount of take-home written training materials, while the NGCRC provides an abundance of high-quality written take-home training materials. All persons attending the conference and registering for Certification or Non-Certification receive a “bag of goodies” which includes these kinds of useful written take-home training materials.

Secondly, no other training organization in the world provides the large **variety of training options** that the NGCRC provides; the NGCRC brings in more trainers and provides, therefore, more “choices” to trainees. NGCRC provides a large professional training experience in an environment designed for training. We typically offer over 100 different courses or training sessions. Typically, gang conferences offer a small selection of training options. So if you think a variety of choices is a good thing, then you need to attend our training conference.

Thirdly, the NGCRC training is **designed to produce “trainers”**: trainees who attend and complete the training typically return to their respective jurisdictions with an incredible new arsenal of training tools to train others in the field. You will get new and useful gang information at our 2022 Training Conference.

Fourthly, the NGCRC training includes **social opportunities** that are structured to enhance the ability of the trainee to **network with others** in the field at a national and international level.

BENEFITS OF ATTENDING THE 2022 NGCRC TRAINING CONFERENCE:

You have the power to “choose” what you want to learn. You have the right to “major” in what area of specialization or concentration you are interested in. Our conference provides an incredible array of different professional gang training sessions that trainees can make up their own minds what they want to attend. This is not the “one size fits all” model of training where every trainee attends each of a small limited number of training sessions and every trainer works all day to give the same talk three or four times. Our training program provides what we think people really want: the freedom to choose what kind of training they want from an incredible list of available choices. If you wanted a “Crash Course” on gangs, then this would be it.

There has never been a gang training conference where people can “specialize” in a wide variety of areas of expertise. So the 2022 NGCRC Gang Training Conference really is a “history making event”. It allows persons to network with others in their special area of interests and it has the organizational strength of much diversity among the trainers. It also has curriculum materials that are truly “cutting-edge”. No one else promises you **NETWORKING RESULTS**. We do, based on previous performance.

CONFERENCE REGISTRATION OPTIONS:

Trainees can register for Non-Certification or they can register for Certification. Both of these registration options are explained below.

Non-Certification: This option is for those who do not need a transcript to be maintained of their training experience and who do not desire a high quality certificate in an upward path of gang specialist training. This option is best for those who just want to attend, get the training materials, and be free to come and go as they wish. Trainees are eligible to receive 24 hours of on-site training during the conference. Please note that if you register for non-certification you do not receive any certificates of your training.

Certification: The certification is provided by the National Gang Crime Research Center, the premier gang research organization in the world, founded in 1990 it publishes the only professional international refereed journal about gangs (the *Journal of Gang Research*), it does extensive research on gangs, and it has a strong positive track record for providing high quality training on gang issues. The *Journal of Gang Research* has 29 years of gang research publishing experience and as the Official Publication of the NGCRC it is abstracted in the Psychological Abstracts, **Criminal Justice Abstracts**, Sociological Abstracts, Social Service Abstracts, and other international organizations that recognize professional journals. For more information about the accomplishments of the NGCRC, see its webpage information (www.ngcrc.com). When you register for certification you receive two professionally printed color certificates of high display quality reflecting your training. One of these certificates reflects the completion of the 2022 Training Program; and the second certificate reflects your specialized training in your chosen track area. Those registering for non-certification do not receive such certificates.

Select Your Certification Specialty Choice From a List of 30 Different Options (Training Tracks):

Those who register for certification receive two high quality 8 ½" x 11" certificates reflecting their training. The certificates carry the seal of the National Gang Crime Research Center. If you register for certification, then you receive two certificates (1) one reflects that you completed the NGCRC's 2022 program consisting of 24 hours of intensive training, and (2) the second certificate reflects that you completed a minimum of four hours in a specialized topical area, i.e., your "track". See the list of the 30 different training tracks on the registration form provided on pages 3-4.

HOTEL ACCOMMODATIONS:

The site where the training is occurring is the Westin Michigan Avenue Chicago Hotel. The Westin Michigan Avenue is located at 909 North Michigan Avenue, Chicago, IL 60611. The Telephone number for the Westin Michigan Avenue Hotel is (312) 943-7200. The toll free number for the Central Reservations Call Center is: 1 (888) 627-8385. When making reservations, the "code" for the conference is "NGCRC Gang Conference". They need that "code" to give you the reduced hotel rates.

The cut-off date for getting the rates here is July 18, 2022: Singles \$205, Double \$205.

Trainees will, as in past NGCRC training conferences, be able to pick up their "goody bags" the evening before training begins. Training classes begin 8am Monday morning, August 1, 2022. However, you will be able to pick up your registration materials, your Identification Badge, the final schedule, and your "goody bag" the night before: we expect to be able to start giving out registration materials about 3pm on Sunday, 31 July 2022. We will be open to provide this service until about 10:00 p.m. Just go to the NGCRC Operations Center (The Garfield Park Room is the NGCRC Operations Center) to pick up your materials. Signs will be prominently displayed.

Three Examples of Training Sessions in the 2022 Conference:

Of Special Interest to Law Enforcement, Prosecution, and Corrections

(6) **"Outlaw Motorcycle Gangs: Why Bother?"**, by Lt. Vincent Perillo, Will County Sheriffs Office, Joliet, IL.

Two (2) hours. Restricted: Attendance for Law Enforcement and Corrections/Prosecution Only.

Abstract

Law enforcement have said, "why bother working the MC gangs"? They don't cause problems, they're just a bunch of old guys riding bikes. Over several decades, OMG's have been involved in mass fights, shootings, drug activity and more criminal activity is well documented. As the potential for more violence and criminal activity continues to build, those in law enforcement need to have the tools to recognize some of the concerns with motorcycle clubs.

(58) **"The Impact of Historical/Generational Trauma on Gang and Law Enforcement Interactions"**, by Philip J. Swift, Ph.D., Municipal Courts, City Marshall Division, Fort Worth, TX. Two (2) hours

Abstract

This session focuses on the reality of historical/generational trauma and how it affects communities, cultures, groups, and the development of cognitive schemes. Historical examples of historical/generational trauma among minority groups is used to depict the less recognized concept of historical/generational trauma among law enforcement agencies and gangs. The impact of this form of trauma on the initial interactions of law enforcement officers and gang members is used to demonstrate how and why many interactions between law enforcement officers and gang members affect the success and failure of gang prevention, intervention, and interdiction programs. This training concludes with a discussion of the tactics and skills that attendees can use to improve the effectiveness of prevention, intervention, and interdiction efforts.

(3) **"Cultivating Confidential Informants (CI's) Without the Proffer"**, by Keiron McConnell, Kwantlen Polytechnic University, Faculty of Arts, Professor of Criminology, Surrey, British Columbia, Canada; Raj Jaswal, Constable, Vancouver Police Department, Vancouver, CANADA; Christopher M. Felton, MS, Fort Wayne Police Department, Fort Wayne, IN.

Two (2) hours

Abstract

Attend this session to learn about the differences and commonalities inside law enforcement gang investigations with experts from both the U.S. and Canada. Chris is a USA based officer and this session builds upon his work on developing confidential informants (CI's) in those situations or conditions when we are not in a position to offer the confidential informant a formal proffer. Attend this session to gain insights into how to develop more effective CI's in gang crime investigation.

More Examples of Sessions From the 2022 NGCRC Curriculum:

(43) **“Starting a New Gang Renouncement Program or Process in Your Correctional Facility”**, by Veronica Williams, Executive Director, Al-Fredricks’s Return Inc, Houston, TX. One (1) hour

Abstract

Participants will learn how to start-up a gang renouncement program or process of their choice in their current lockup facility. This will include how to collaboratively form partnerships between security and counseling. This workshop will also include strategies for initial curriculum design. In addition, preparation for transitioning program participants from Administrative Segregation to the General Population community while incarcerated will be addressed. Staff diversity training will also be introduced as an important component. This workshop will also include an array of program processes to choose from when considering the initial start-up of a gang renouncement program.

(24) **“Gang Threat Awareness: An Attempt to Assist with the Overall Violence Proofing of a Learning Environment”**, by Robert Mulvaney, M.A., Gang Specialist, NGCRC Staff. One (1) hour

Abstract

What are some early signs of gang involvement that parents/teachers/counselors/juvenile workers can become aware of? What can a parent/teacher/juvenile worker/others do? The allure of the gang is very difficult to deal with. They will convince the newcomer that they are family and they will protect them against rivals/bullies. This session will outline some steps in recognizing gangs/threats in your unique environment and actions you can take to improve overall safety.

(11) **“Bigger than Black and Blue: Candid Conversations About Race, Equity, and Community Collaboration”**, by Robert T. David Sr., Youth Gang Violence Prevention Coordinator, Danville, VA and Scott C. Booth, Chief of Police, Danville Police Department, Danville, VA. 1.5 hours (90 minutes)

Abstract

This session will discuss how community policing combined with a relationship focused gang intervention strategy drastically lowered violent crime rates in Danville, Virginia. The session will discuss how the combined strategies cultivated peace in the community while the rest of the country began to grapple with a series of African American deaths at the hands of police. Bigger than Black and Blue: Candid conversations about race, equity, and community collaboration will be a benefit to those who desire an opportunity to hear two distinct, but synchronous voices that articulate their unique perspectives about the complex relationship between African American communities and law enforcement.
