

# European Group for the Study of Deviance and Social Control

51<sup>st</sup> Annual Conference in Turku / Finland -SUOMI

## General Topic: The Violence of Law

Dear all,

We have received fascinating abstracts for the 51<sup>st</sup> Annual Conference of the European Group. Thank you to all who have submitted.

Due to a large number of requests, we have decided to extend the **DL for abstract submission until March 26th**.

This means that you can still join us in Turku to discuss the Violence of law.

While we invite all forms of submission listed in the call, we encourage proposals for posters and other forms of performance.

All abstracts will be processed after the new deadline and notifications of acceptance and inclusion into the desired working group sent in due time.
