## OPEN ACCESS FROM ELGAR

Our [Open Access programme](#) continues to go from strength to strength. It is built upon the same strong principles laid down by our Founder, Edward Elgar, of offering authors an unrivalled level of service and care. We publish Open Access content right across our list, encompassing Law, Business and the Social Sciences, and including complete books, individual book chapters and journal articles. The continued evolution towards scholarly content increasingly being published Open Access is in line with our stated company mission, which is to enrich and support our academic and professional communities through creative commissioning and effective dissemination of high calibre content for a global audience, and by delivering a dynamic, responsive and efficient publishing service to authors, readers and customers.
